

## ***Initiative for Proteomics Bioinformatics***

*23.10.15 – Skype call*

### **Attendants:**

Viktoria Dorfer (Austria)

Elien Vandermarliere (Belgium)

Vladimir Gorshkov (Denmark)

Veit Schwämmle (Denmark)

David Bouyssié (France)

Timo Sachsenberg (Germany)

Stefka Tyanova (Germany)

Alessio Soggiu (Italy)

Maurizio Ronci (Italy)

Marc Vaudel (Norway)

Mikhail Gorshkov (Russia)

Victor Segura (Spain)

Yasset Perez Riverol (U.K.)

Hayley Prince (U.K.)

### **Status Update:**

- Initiative proposal accepted by the EuPA.
- A team of young investigators has been gathered in an attempt to balance between the countries, bioinformatics groups, and gender.

**Items:**

- Introduction to the EuPA and the initiatives
- Introduction to the main aims
- Agreement to have national contact points in the different EuPA countries coordinating the national work
- Agreement for a kick-off meeting of the contact points, two days in December in Dortmund
- Agreement to set up means of communication
- The need for more documentation was expressed
- Agreement to have another meeting in November.

**To do:**

- Communication:
  - o Everyone: communicate on the initiative (Online, Colleagues, etc.)
  - o Yasset and Hayley: set up means of communication (internal and external)
  - o Everyone: fill-in the excel sheet for the website
  - o Marc: write report, send proposal, set up doodles for next meetings
- Funding:
  - o Everyone: look for national and European funding opportunities
  - o Maurizio: contact companies
  - o Timo: contact de.NBI
  - o EIXIR members: see if there is something there
